## **3. RESOLUTION 5 – REMUNERATION REPORT (NON-BINDING RESOLUTION)**

### *Overview*

The Company's Remuneration Report for the year ended 30 June 2019 (which forms part of the directors' report) (**2019 Remuneration Report**) is contained in the Annual Report of the Company for the year ended 30 June 2019, which is available to view online at the Company's website – [www.resgen.com.au](http://www.resgen.com.au) and was despatched to those Shareholders who did not elect to receive the Company's reports electronically.

The 2019 Remuneration Report describes the underlying policies and structure of the remuneration arrangements of the Company and sets out the remuneration arrangements in place for Directors and senior executives for the year ended 30 June 2019. Following in excess of 25% of the votes being cast against the resolution to adopt the Company's Remuneration Report for the financial year ended 30 June 2018 at the 2018 Annual General Meeting of the Company, the Board has reviewed the Company's remuneration arrangements and considers that appropriate steps have been taken in response to that vote. A summary of those steps and the Board's views on the remuneration framework for the Company are set out in the 2019 Remuneration Report as well as being briefly outlined below.

Among other things, the Company has continued to engage Shareholders on remuneration matters and to consider the clarity of the policy and disclosures made by the Company in accordance with section 300A of the Corporations Act and contained in the 2019 Remuneration Report, including:

- (a) Board policy for determining, or in relation to, the nature and amount (or value, as appropriate) of remuneration of directors and senior executives of the Company;
- (b) discussion of the relationship between such policy and the Company's performance;
- (c) consultation with a remuneration consultant to assist with refining the structure and KPIs for the Key Management personnel; and
- (d) has not increased Non-Executive remuneration levels since the appointment of the current Board in November 2015 and Senior Management remuneration levels have been frozen from 1 July 2016 (with one exception) pending achievement of financial close for project funding.

### *Requirement for Remuneration Report to be put to a vote*

Section 249L(2) of the Corporations Act requires a company to inform shareholders that a resolution on the remuneration report for the company for the last financial year (**Remuneration Report**) will be put at the Annual General Meeting. Section 250R(2) of the Corporations Act requires a resolution that the Remuneration Report be adopted must be put to the vote. Resolution 5 seeks this approval. In accordance with section 250R(3) of the Corporations Act, Shareholders should note that Resolution 5 is an "advisory only" resolution which does not bind the Directors of the Company. Following consideration of the 2019 Remuneration Report at the

Annual General Meeting, the Chairman, in accordance with section 250SA of the Corporations Act, must give Shareholders a reasonable opportunity to ask questions about, or make comments on, the 2019 Remuneration Report before Resolution 5 is put to a vote.

Under the Corporations Act, if at least 25% of the votes validly cast on a resolution to adopt a Remuneration Report are against the adoption of the Remuneration Report for two consecutive annual general meetings, shareholders will be required to vote at the second annual general meeting on a 'spill resolution' to determine whether the Directors will need to stand for re-election at another general meeting of the Company within 90 days. This is known as the 'two strikes' rule.

#### *Additional information*

At the 2018 Annual General Meeting, the Company's Remuneration Report for the year ended 30 June 2018 was carried but more than 25% of the votes cast on that resolution were voted against the resolution, constituting a 'first strike'. If at least 25% of the votes cast on Resolution 5 are against the adoption of the Company's Remuneration Report for the year ended 30 June 2019 then this would constitute a 'second strike' for the purposes of the Corporations Act and section 250V(1) of the Corporations Act would apply. In those circumstances, the Company would be required to put a spill resolution (as set out in Resolution 6) to a vote of Shareholders at this Annual General Meeting.

For further details regarding the effect of Resolution 6, please see the notes on resolution in this Explanatory Statement.

#### **Board recommendation**

The Directors unanimously recommend that Shareholders vote **in favour** of Resolution 5.

---

#### **4. RESOLUTION 6 – SPILL RESOLUTION (CONDITIONAL ITEM)**

Resolution 6 is a 'conditional' resolution. In accordance with the Corporations Act, it will only be put to the Annual General Meeting if the Company receives a 'second strike' against its Remuneration Report because at least 25% of the votes validly cast on Resolution 5 (Adoption of Remuneration Report) are cast against that resolution. If less than 25% of the votes validly cast on Resolution are against the resolution, this Resolution 7 will not be put to the Annual General Meeting.

If this Resolution 6 is put to the vote and passed at the Annual General Meeting, it will have the effect outlined below:

- The Company would be required to hold another meeting of Shareholders (**Spill Meeting**) within 90 days after the spill resolution is passed, to consider the composition of the Board.
- If a Spill Meeting is required, details of the meeting would be notified to Shareholders in due course.
- If a Spill Meeting is held, the following non-executive Directors would automatically cease to hold office at the end of the Spill Meeting unless they are willing to stand for re-election, and are re-elected, at that meeting:
  - Lulamile Xate;
  - Dr Konji Sebati;
  - Rob Croll;\*
  - Colin Gilligan;\*
  - Gregory Hunter;\* and
  - Michael Gray.\*

\*This assumes that these Directors are elected at the 2019 Annual General Meeting under item 2.

The Directors listed above are those who held office on 30 September 2019 when the Directors' Report (including the 2019 Remuneration Report) for the year ended 30 June 2019 was approved. Each of the listed non-executive Directors would be eligible to seek re-election at any Spill Meeting. However, there is no assurance that any or all of them would do so.

In accordance with the Corporations Act, ASX Listing Rules and the Company's constitution, the Interim Chief Executive Officer and Managing Director, Leapeetswe Molotsane, would not be required to stand for election as a Director and would continue to hold office at any Spill Meeting.

If the Directors seeking re-election at the Annual General Meeting are re-elected then they would still need to be re-elected at any Spill Meeting to remain in office after that time. However, if any additional Directors were to be appointed before the Spill Meeting then they would not need to stand for election or re-election at the Spill Meeting to remain in office.

- Resolutions to appoint individuals to the offices that would be vacated immediately before the end of the Spill Meeting would be put to the vote at that meeting. Eligibility for election as a Director at any Spill Meeting would be determined in accordance with the Company's Constitution.

For this Resolution 6 to be passed at the Annual General Meeting, more than 50% of the votes validly cast on the resolution must be in favour of it.

In deciding how to vote on this Resolution 6, the Board suggests that Shareholders take the following factors into account:

- The status of funding arrangements for the Boikarabelo Project and the likely disruption and delays that would be caused to finalisation;
- substantial additional costs would be incurred if the Company is required to call and hold a Spill Meeting; and
- holding a Spill Meeting would create significant further disruption and uncertainty for the Company and, having regard to the present position and prospects of the Company, the Board considers that further uncertainty of this kind would not be in the best interests of the Company or its Shareholders.

#### **Board recommendation**

The Directors recommend that Shareholders **vote against** this Resolution 6 if it is put to the Annual General Meeting. The Chairman intends to vote all undirected proxies (where permissible) against this Resolution 6 if it is put to the Annual General Meeting.

### TO VOTE BY COMPLETING THE PROXY FORM

#### STEP 1 APPOINTMENT OF PROXY

Indicate who you want to appoint as your Proxy.

If you wish to appoint the Chair of the Meeting as your proxy, mark the box. If you wish to appoint someone other than the Chair of the Meeting as your proxy please write the full name of that individual or body corporate. If you leave this section blank, or your named proxy does not attend the meeting, the Chair of the Meeting will be your proxy. A proxy need not be a securityholder of the company. Do not write the name of the issuer company or the registered securityholder in the space.

##### Appointment of a Second Proxy

You are entitled to appoint up to two proxies to attend the meeting and vote. If you wish to appoint a second proxy, an additional Proxy Form may be obtained by contacting the company's securities registry or you may copy this form.

To appoint a second proxy you must:

- (a) complete two Proxy Forms. On each Proxy Form state the percentage of your voting rights or the number of securities applicable to that form. If the appointments do not specify the percentage or number of votes that each proxy may exercise, each proxy may exercise half your votes. Fractions of votes will be disregarded.
- (b) return both forms together in the same envelope.

#### STEP 2 VOTING DIRECTIONS TO YOUR PROXY

To direct your proxy how to vote, mark one of the boxes opposite each item of business. All your securities will be voted in accordance with such a direction unless you indicate only a portion of securities are to be voted on any item by inserting the percentage or number that you wish to vote in the appropriate box or boxes. If you do not mark any of the boxes on a given item, your proxy may vote as he or she chooses. If you mark more than one box on an item for all your securities your vote on that item will be invalid.

##### Proxy which is a Body Corporate

Where a body corporate is appointed as your proxy, the representative of that body corporate attending the meeting must have provided an "Appointment of Corporate Representative" prior to admission. An Appointment of Corporate Representative form can be obtained from the company's securities registry.
